

## Alumni Members Feedback on Curriculum – 2014

The graph 2 reflects on Alumni members' feedback on curriculum during 2014. A majority of 60% opined availability of study materials as excellent, followed by 51% respondents mentioned coverage of syllabus as excellent. Less than half of 46% respondents said course content as excellent, where in 43% each respondents' opined relevance of curriculum as good; and clarity & relevance of textual: reading materials, curriculum relevance and overall rating as excellent. Further few of 40% said learning values as good, and 34% respondents mentioned that usefulness of curriculum as good.

**Action taken:** The analyzed feedback and the suggestions given by the alumni were passed in the College Council meeting and the Academic Council meeting for further action. The suggestions were considered in the Board of Studies meeting and necessary changes in the curriculum was made
