

**St. Philomena's College (Autonomous), Mysore**

**PG Department of Studies and Research in Social Work**

**Question Bank (Revised Curriculum 2018 onwards)**

**First Year- Second Semester ( 2018 -20 Batch)**

**Course Title (Paper Title):**

**Social Work Research and Statistics. QP Code:59102**

<b>Unit</b>	<b>SI. No</b>	<b>Questions</b>	<b>Marks</b>
1	1.	Explain the scope of Social Work Research.	4
1	2.	Define the term 'Concept' and Variables'.	4
2	3.	What do you mean by 'Pilot Study' and 'Pre-testing'.	4
4	4.	Mention the function of Statistics.	4
1	5.	Mention the agencies sponsoring and conducting Social Work Research.	4
4	6.	Define statistics and write its importance.	4
2	7.	Outline the methods of non-probability sampling.	4
3	8.	State the types in data processing.	4
1	9.	State the characteristics of scientific approach.	4
2	10.	What is participatory research? Explain.	4
2	11.	What is Action Research? Illustrate.	4
2	12.	Enlist the Primary & Secondary source of data.	4
4	13.	Introduce 'SPSS'	4
2	14.	What is 'Sampling'? Write its characteristics and methods of Sampling.	4
2	15.	Present the meaning uses and steps of case study method.	4
1	16.	Define Social Work Research and explain its objectives.	4
3	17.	What do you mean by editing data and classification?	4
2	18.	Define sampling. Discuss the characteristics and method of sampling.	4
2	19.	Discuss the methods of collection of primary data.	4

1	20.	Write the objectives of Social Work Research.	4
1	21.	Define Hypothesis. Explain its importance in Social work Research.	4
2	22.	State the advantages and limitations of case study method.	4
1	23.	Write a brief note on the ethics of research.	4
1	24.	Explain the term Independent variable.	4
3	25.	What is data processing.	4
1	26.	Explain the characteristics of a good hypothesis.	4
2	27.	Describe experimental research design.	4
1	28.	Outline the major steps in Social work Research .	4
3	29.	Mention the limitations of Diagrammatic Presentation of Data .	4
1	30.	List the characteristics of Scientific Method. Explain any two characteristics.	4
4	31.	Explain the qualities of a good statistical table.	4
4	32.	Outline the measures of Dispersion.	4
1	33.	What is Hypothesis? Explain its need and contributions in Social Work Research.	10
1	34.	Explain the following : a) Experimental design b) Action Research	10
2	35.	Discuss the significance of observation in Social Work Research.	10
4	36.	Enlist the problems in the use of secondary data.	10
1	37.	What is operational definition? Give example.	10
4	38.	What do you mean by Hypothesis? Explain its importance, uses and requirements.	10
2	39.	State the criteria for the selection of a research problem.	10
1	40.	What is meant by descriptive statistics? Illustrate.	10
1	41.	Differentiate between research design and diagnostic research design.	10
2	42.	Write a note on "Classification and Tabulation of Data".	10
4	43.	Explain the process of preparing a research report.	10

1	44.	Differentiate between questionnaire and an interview Schedule.	10
4	45.	Differentiate between primary and secondary sources of data.	10
2	46.	Explain the measures of dispersion.	10
3	47.	What is Action Research? Illustrate.	10
1	48.	What is case study? How does it differ from Statistical study? Explain.	10
2	49.	Explain the types / kinds of sampling with illustrations.	10
2	50.	Outline the content of a research report.	10
2	51.	Briefly discuss the importance and types of research design.	10
4	52.	'Correlation does not mean causation' - Explain.	10
2	53.	Highlight the use of computer and Statistics in Social work Research.	10
5	54.	Write a research proposal based on your field work experiences.	14
5	55.	Prepare a research proposal to find out the effectiveness of case work services of an organisation in the care and protection of children in conflict with law.	14
5	56.	Write a note on sample and population.	14
5	57.	State the criteria on the basis of which a topic for research can be chosen.	14
5	58.	'The only way that we can establish the cause and effect relationship through research is by carrying out an experiment'. In the context of the above, prepare proposal from Social Work Perspective.	14
