REVIEW OF THE DAY

The Guest Lecturer- Dr.Jyothi H P- and all other dignitaries- the PG Director- Albert Pinto, the MSW Faculties- Dr.Noor Mubasheer, Dr.Nagesh , the BSW department Faculties- Miss.Deepthy and Mr.Mathew and the BSW students (1st Year's, 2nd Year's, 3rd Year's) reached the venue by 10:30 am . The programme started with the master of ceremony , a students of 3rd year BSW - Elian Ajith, addressing the gathering and to welcome all to the event official, the third year class representative of the social work department was called upon . The information of the speaker was put in limelight by the Assistant Professor of BSW -Mr. Mathew C followed by a the session on importance of field work practice in social work taken by Dr.Jyothi H P which was both interesting and informative. Sis.Maria Joseph thanked everyone present over for the programme ending with a photograph together.

OBJECTIVES OF THE PROGRAMME

- To develop the skills for solving the problems in work at the micro level (individual, family and groups) and change at the macro level (community, social system including social institutions and wide range processes).

- To get an expert guidance, tips about the use of fieldwork practice in social work.
- To develop an understanding of the need to do fieldwork practices with great enthusiasm and the role it plays in the life of a social worker.
- To enable students get hands-on/real life experience they are expected to work in when they graduate.
- To provide an opportunity for students to apply the principles and techniques theoretically learnt into real-life problem solving situations.

OUTCOMES OF THE PROGRAMME

- The programme helped the social work trainees to understand about field work more in detail .
- It was really helpful for everyone to understand more about fieldwork and the importance on focusing on fieldwork by using the theoretical knowledge of social work .
- This gave an integrated outlook on fieldwork and the high scope of social work in various fields sustaining in the society.
- The main and needed points of social work were covered and discussed helping the social work trainee to understand the theoretical knowledge and practical skills have to go hand in hand for attaining success in field work practice.
