8th Convocation - Alumni Feedback

The IQAC team of the institution has collected feedback on curriculum from all stakeholders as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is usually collected during the final exam or after the final exam or during convocation session. Alumni feedback was collected on convocation day. The feedback link is also available in the website and all stakeholders are encouraged to fill in the feedback form.

Here the feedback given by Alumni of the college on curriculum was presented. The data collected by using questionnaire which contains 10 components of curriculum aspects. So collected data were analyzed by using the SPSS software and the result was reviewed by the IQAC team. Remarks, action taken report, and recommendations are prepared and forwarded to the management which is in turn forwarded to relevant stakeholders.

The following is the analysis of number of responses per question. Based on mean value of each question, action and recommendations were made.
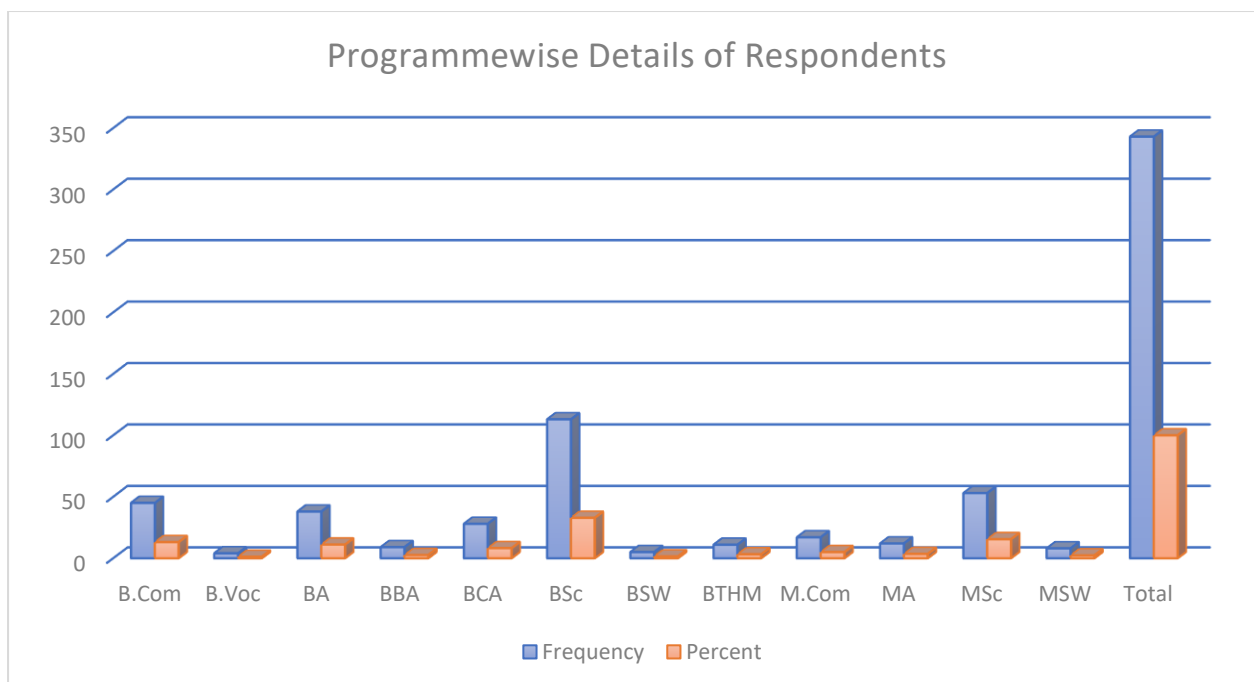

Mean score:

The IQAC team has analyzed the overall responses and the average score per question. In order to achieve this, responses for each question was collected in a scale of 1-5, with 5 being the Excellent and 1 being not satisfactory. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the SPSS software.

Majairy of students, after their graduations gone for higher studies.

During collecting feedback from alumni, IQAC is also collected suggestions and other feedback and the response was presented below.

Feedback/Suggestions
Career skill development programs
Extracurricular activities
Betterment of lab and practical in food science and nutrition. More industrial exposure and internships. / Biochemistry lab should be improved/ Facilitate benches properly
Computer based accountancy should also be taught as an elective subject

| |
|---|
| Focus More on Social Activities |
| Focus should be given on rationalising each and every student, building confidence and leadership qualities and taking into the consideration of and supporting each and every individual by providing various stages and opportunities. |
| Improve canteen facilities in PG department. |
| Giving more importance to projects and technical skills. Encouraging students to write review papers and do literature surveys as a part of internals as it is an extremely crucial and needed skill for higher education/studies (at least in the field of life sciences)/ Internships should be made mandatory for every course. |
| Giving some knowledge for the students about competitive exams |
| I request you to Help students economically who are very poor |
| If the curriculum is little more research and industrial oriented, then it would be very much beneficial for the learning students and dependent society. There should be more industrial visits, hands on workshops on experimental part of studies. |
| Improvement in campus selection, |
| Update library/ Add more relevant and competitive material/ Increase the materials in library and space inside library. / Provide more resources and books in the PG library/ Require syllabus relevant textbooks and study material in the library. |

Conclusion

Feedback analysis and action taken report prepared by the IQAC is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. Feedback is collected every year reports are analyzed.
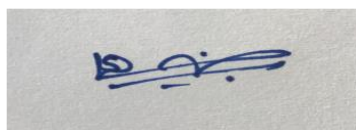

The recommendations are also reviewed and appropriate actions are taken. The actions taken are noted in the IQAC Annual Quality Assurance Report and submitted in the yearly reports.

In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR.

The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR.
