

Blood Donation camp - Report

The National Service Scheme (NSS) and Youth Red Cross, in collaboration with Lion's Blood Donation Jeevadaara, successfully organized a blood donation camp at St. Philomena's College Auditorium on April 23, 2024. The event witnessed an overwhelming response from the community, with more than 70 students of the college coming forward to donate blood.

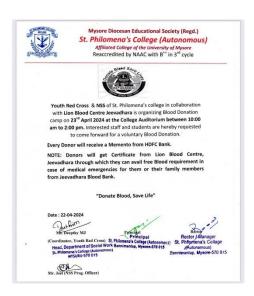

Mr. Girish, the Managing Director of Jivadara Rakta Nidhi Kendra, delivered an impassioned speech during the event, highlighting the urgent need for blood donations to save lives. He emphasized that many lives are lost due to the unavailability of blood during critical moments, and urged everyone to contribute by donating blood to those fighting for survival.

Students of St. Philomena's College expressed their appreciation for the initiative, acknowledging the importance of voluntary blood donation, especially during the summer season when blood shortages are more prevalent.

The event was graced by the presence of distinguished personalities, including Dr. Bernard Prakash the Rector and Manager of St. Philomena's College, Dr. Ravi JD Saldanha, The Principal, as well as Mr. Francis D'Souza, Ms. Deepti, Coordinator Youth Red Cross, Mr. Joel, NSS Programme Officer and the NSS Volunteers.

The blood donation camp served as a testament to the spirit of altruism and community service, as individuals from various walks of life came together to make a meaningful contribution towards saving lives. The overwhelming response underscored the success of the event and reaffirmed the commitment of the community towards humanitarian causes.

Overall, the blood donation camp at St. Philomena's College Auditorium was a resounding success, furthering the noble cause of blood donation and inspiring hope for those in need of lifesaving transfusions.
