

Proceedings of the Board of Studies

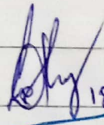

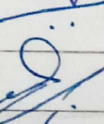

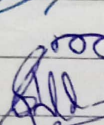

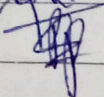

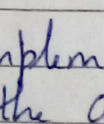

Ninth meeting

Subject : Botany
Date : 18/11/2021
Time : 10:30
Place : Botany Department.

Agenda

The committee met and discussed in detail the NEP syllabus for B.Sc course, OF for I & II semesters. The review of the syllabus, scheme for examination and teaching methods was done as per the present needs and available literature. The changes made in the syllabus are enclosed herewith. The board of studies members approved the contents of the syllabus and it will be effective from 2021 onwards. The chairperson thanked the members before dispersing.

Members Present.

- 1) Ms. Dorothy P  18/11/21
- 2) Dr. Sharada M.S. MSSM  18/11/2021
- 3) Dr. B.S Ravikumar  18/11/2021
- 4) Dr. MN Mallikarjunaiah  18/11/21
- 5) Ms. Jeevitha Saldanha  18/11/2021
- 6) Ms. Preethi Pereira.  18/11/21

It is resolved to implement changes suggested by BOS members for the academic year 2021.

Agenda:

- 1) To approve the NEP 2020 syllabus for the year 2021.
- 2) Scheme and Blue print for theory and practical exam.
- 3) To approve the list of external examiners.

Minutes of the meeting:

- 1) The NEP 2020 syllabus is being implemented for the first time so the members decided to follow the university syllabus for the core and open elective papers.
- 2) The syllabus provides no blueprint and the scheme for the examination [Theory and practical], the members framed the same. Since the maximum marks for practical is not finalized two blue prints were suggested one for maximum of 25 marks & another for 50 marks. For theory examination blue print was discussed for 60 marks.

As an Autonomous College we have the flexibility to modify the blueprint for theory and practical. Our college is planning to have a uniformity in the blue print & it will be implemented after the approval in the AC meeting.
