Agenda

- To change the curriculum with Outcome Based Education for the academic year 2024 Onwards
- To approve the Examiners list,
- To provide MOOC Course as additional credit course
- Change in the syllabus.

- Introduction of new course title

- The course paper has been divided into two parts.

Proceedings

→ In the BOS meeting, the members revised the current curriculum framework in alignment with the Outcome based Education (OBE) model, effective from the Academic year 2024 onwards.

→ The examiners list were approved by the BOS Committee members.

→ In alignment with global educational practices and the needs to equip students with diverse skills and knowledge, it was proposed that MOOC Courses to be incorporated into the curriculum, replacing their current status as additional credit course.

→ It was discussed to initiate a process of tracking students who graduated five years to assess whether the current curriculum has effectively supported their career and academic goals and to make necessary revisions based on findings.

- Proposal to introduce a New Course "Ecological Social Work" in the 3rd Semester.

→ It was proposed to restructure the current paper "Communication and counseling" into two separate courses to provide a more focused and in-depth understanding of both areas.

1) (Communication) skills for social work

2) Counseling Theories and Practices

→ The BOS members recommended the inclusion of a Module on Artificial Intelligence (AI) tools with the Human Resource Management (HRM) Paper.

→ The BOS members recommended the inclusion of a Module on Artificial Intelligence (AI) tools with the Human Resource Management (HRM) Paper.
