The second BOS meeting was held on 28.09.24 at the department of Psychology. The Agenda was discussed and decisions were made in the meeting. The necessary changes were made in the syllabus to be taught from the academic year 2024.

Agenda 1

The discussion was made with reference to the university syllabus and changes were made. The changes are as follows.

The change was done in Statistics in Psychology Paper.

- Topic concept of standard error and its application was added to unit I
- 2nd Unit was removed.
- Unit IV was replaced with the topics use of softwares in statistics and graphical representations, SPSS, JASP, Microsoft excel, Jamovi (Working out statistical techniques).

2. Agenda 2:

List of examiners was finalized and the list is attached to the minutes.

3. Question paper pattern was finalized and attached to the syllabus.

4. Scheme of evaluation for Practicals and theory was discussed and finalized.

It was also suggested by the BOS members that the credits of the course need to be increased for the completion of the course.
