The chairperson welcomed the members.

1. The comments of A.C. members were taken up for discussion and following suggestions were given by members.
 - a. Regarding the comment by Prof. Hegde regarding the use of C.E & B.C.E instead of A.D & B.C. the members felt that no necessity was there as it is only cosmetic change. Because it is just the way to recognise period. But members still accepted to ~~use~~ adopt the use of C.E & B.C.E instead of A.D. ~~So it is~~
So use of C.E & B.C.E was adopted.
 - b. Regarding the periodisation of the paper raised by the same member was discussed by the members and felt unanimously by all the members that chronology & periodisation are fundamentals for the construction of History. Without chronology & periodisation, History cannot be written in a organised manner & understanding of History will be incomplete.
So for any paper or syllabus for

Date: 03/07/2016

BOS members discussed that first of all member M. Rani, B.S. from Political Science Dept and Teacher in Post Graduation Dept. So historical approach & perception and teaching approach in U.G. is different from Political Science perception & P.G. Teaching approach.

In B.A. course Foreign Policy is taught as a basic concept and introduced to students in historical perception. Foreign Policy is very much connected to history because of Foreign Policy was moulded from our leaders & Indian experience in Pre-Independence. If we see principles of foreign policy like opposition to racialism, colonialism, imperialism and struggle to establish a peaceful world, we can understand our past experience as we were also victims of these evils.

So a student of History in Undergraduate level should know Foreign Policy of India at least at an introductory level as a basic concept, without which his learning as a graduate will be incomplete. So BOS members decided to

have Foreign Policy

C As continuation to Foreign Policy, Foreign relations of India with the Pak & China was removed from Unit-4 and added to Unit-3 after the topic Foreign Policy.

The BOS meeting was concluded by the Chairman thanking all the members present.

The chairman welcomed the BOS members.

1. Syllabus of Choice Based Credit System Scheme for UG B.A. History for Soft Core papers were discussed by the members and ~~suggested~~ the ~~follo~~ gave suggestions.

2. Paper ~~2~~ HIS-SC-01: Outline of Intellectual History of Modern India - members suggested to shift Unit 2 to 1st position of first and thus to swap Unit 1 to Unit-2. because of chronology.

3. @ HIS-SC-2 - An Introduction to Social and Religious Movements of Modern India. Members suggested to remove Brahmo Samaj and add ~~that~~ to add Aligarh Movement.

⑥ In Unit 3 members suggested to replace Depressed class movement with Backward Class movement to be precise & relevant.

④ HIS-SC-3: Glimpses of World History has been accepted.

⑤ HIS-SC-04: Outline of Archives Keeping, ~~to~~ has been accepted.

6. HIS-SC-05: Outline of Art & Architecture of Ancient India upto 700 CE has been accepted.

7. HIS-SC-06: Prominent Thinkers of Modern India has been accepted.

8. HIS-SC-07: Economic History of Modern India. Members commented about the haphazard manner of setting the paper. Irrelevance of the Topics and Contradictions. Most of the Topics were out of the scope and Periodization of the Paper.

① So members suggested to remove the periodization because 1757 to 1947 is too vast for the soft core and some topics are even out of the fixed scope.

② Members commented harshly and were upset because the "Expected outcome" what is been mentioned is not the goal ~~to~~ to be achieved after teaching the paper. Instead of the paper description is been written under the heading "Expected outcome". Members strongly suggested to change that and mention expected outcome properly.

③ There were 04 Units in the paper.

members felt that it is not necessary to have 4 units for a soft core paper and also to have uniformity with other papers and as there were too many irrelevant, contradictory, unnecessary, vague & ambiguous topics which spread over 4 units, members suggested to reduce the units to 03 and to remove unnecessary, irrelevant topics.

09 HIS - SC - 08 - Constitutional History of India

(a) Members suggested to change the title to Outline of Constitutional History of India to have proper limitation of scope.

(b) In this paper also members found some problems like instead of writing expected outcome, paper description has been written, so members suggested that "expected outcome should be written properly

(c) In this paper also members suggested to remove topics which are repetitious, contradictory and vast. Keeping in mind that the paper is soft core

only relevant and necessary topics must be retained and also suggested to remove 4 units because it is too vast for soft core with irrelevant topics. So members decided to have 3 units with relevant topics

(d) In Unit 1 topic Charters acts § 184 & 1793, 1813, & 1833 removed because they are too vast & not so required.

(e) In Unit - 2, there was repetition of same topic Act § 1858 and Queen's Proclamation. Members suggested to have common topic

(f) In Unit - 4 as there were more irrelevant topic members suggested to remove irrelevant topics and add topics "Government of India Act 1935" and "Indian Independence Act" to Unit - 3 and remove Unit 4

10. As for as the paper Intellectual History of Modern India members suggested that majority topics are already found in "HIS-SC-01 & Outline of Intellectual History of Modern India", so ~~some~~ and some topics are contradictory, members

Date:.....

decided ~~to~~ not to include this paper

11. With all these observations Board finally approved the following papers of Discipline specific Core and Discipline specific Elective & Open Elective
