The Chairman welcomed the members and informed that Dr. Saji Thomas has conveyed to him that his inability to attend the meeting due to pre-committed responsibilities.

Agenda-1: To restructure the credits allotments of the existing M.Sc course

Reason: To make the students free for at least two months to take up the project work in the IV sem in an industry/institution as proposed by the academic auditing committee.

Decision: Resolved to adopt the following credits pattern from the Academic Year 2016-15.

Semester	HC	SC	OE	Total
I	L - 3+3+3+3 Pr. 3+3	-	-	18
II	L - 3+3+3+3 Pr. 3+3	-	4	22
III	L - 3+3+3+3	Pr. 3+3	-	18
IV	T - Nil Project - 4	T - 2+2 Pr. 3+3	4	18

Agenda-2: Introducing three new soft core papers (Electives) of two credits each in

1st Sem - Nano Chemistry

2nd Sem - Medicinal Chemistry and Drug Design

3rd Sem - Medicinal Chemistry

Decision: (a) To prepare a draft syllabus

for nano chemistry and circulate among the members and to place before BOS meeting for approval

(b) To merge Medicinal Chemistry and Drug Design and make a syllabus to have one paper with title Medicinal Chemistry and to circulate the draft syllabus among the members and place before the BOS meeting for approval.

Agenda-3: Deleting a part of the portion in each unit of HC, SC & OE papers in existing syllabus

Reason: The topics in the existing units in each paper is too vast as the time available is too short to complete the units

Decision: To delete the repeating part of the portion and the other parts which are not much relevant

Any other matter: Prof. Shashikanth suggested to organize seminars/conferences in PG department and also to organize industrial visits for students including IOE Centre of University of Mysore

The meeting concluded with the Chairman thanking the members.

The Chairman welcomed the members for the meeting.

Agenda:

- (i) To refine the existing syllabus for I and II M.Sc theory
- (ii) To refine the existing syllabus for I and II M.Sc practicals

Discussion:

- (i) No changes in the existing syllabus for I and II M.Sc theory was made. It was decided to continue the same syllabus and pattern for credits
- (ii) Addition of new experiments in Organic practicals were proposed. Marks distribution for organic practical exams was revised. Few changes in analysing organic compounds and following preparations were done to make practicals more effective and simple.
- (iii) A list of paper setters from all branches of Chemistry was done for setting papers for semester exams. The names listed comprised of teachers from various colleges in and around Mysore

Date:.....

The following changes were made in the present syllabus and are approved.

Portion	Existing	Proposed.
Theory III Sem	(1) Optical rotatory dispersion and circular dichroism from Unit 3 of organic spectroscopy was removed.	(1) Problems on IR, NMR, Mass and UV spectroscopy were added in unit 3 of organic spectroscopy. instead
Practical IV Sem	(1) In part III experiment nos. 4(ii), 5 to 9 were proposed to remove	(1) Part IV experiments title is changed to 'Separation and isolation techniques.
II Sem	(1) Experiment no. 7 from Part I was removed.	

The meeting was concluded by the Chairman expressing his gratitude for the members for attending the meeting.

2. Pharmacology of Plant products
2. Approval of panel of examiners for the academic year 2018-19.

Discussion: -

The Chairman welcomed the members and informed that the department is modifying the syllabus by introducing interdisciplinary concepts by involving the department of Physics and Biochemistry. Two new interdisciplinary soft core papers are prepared in collaboration with the departments of Physics and Biochemistry. The students from these departments can choose these papers and the teachers from these departments will teach the syllabus.

The members after discussion suggested that these papers to be treated as interdisciplinary soft core papers with students & teacher sharing

Decision:

- The interdisciplinary soft core papers
1. Material Science
 2. Pharmacology of plant products
- are approved.

Approval of new question paper format for the academic year 2020-21.

Discussion:

The Chairman welcomed the members and informed that the department is modifying the syllabus by introducing;

① One Discipline Specific course (DSC) i.e hard core of Advanced Physical Chemistry in III Semester.

② Three Ability Enhancement Courses i.e Soft core of Good Laboratory Practices, Chemoinformatics and Green Chemistry in I Semester

③ Three Ability Enhancement Courses i.e soft core of Research Methodology, Water Remediation and Conservation and Industrial Chemistry in III Semester

④ Two self study courses i.e soft core of Ethics and Art of Scientific Writing and Synthetic Organic Chemistry in III Semester

⑤ Three Skill based Courses i.e soft core of Mathematics for Chemists, Food and Pharmaceutical Analysis and Chemistry of Food and Beverages

Date:.....

- in III Semester.
- ⑥. One General Course i.e soft core of Chemistry in Day to Day Life in IV Semester.
- ⑦. Four Skill based Courses i.e soft core of Chemistry of Life, Agricultural Chemistry, Computer Applications in Chemistry and Analytical Clinical Biochemistry in IV Semester.
- ⑧. Two Interdisciplinary courses i.e soft core offered to sister department. → 1. Chemistry of Food and Beverages
2. Chemistry of Life.
- ⑨. Two Generic/open Elective Courses of Water Remediation and Conservation and Chemistry in day to day life in II & III semesters.
- ⑩. Two value added courses of Biofertilizers and Mushroom Technology in I to IV Semesters.
- ⑪. Panel of Examiners for the academic year 2020-21 was discussed.
- ⑫. New question paper format for the academic year 2020-21 was approved along with Learning outcome based ^{Curriculum}. The meeting was concluded by the Chairman expressing her gratitude for the members for attending the meeting.
