The Chairman welcomed the members and placed before them
a letter received from the University of Mysore dt. 26-2-2016

The Chairman explained to the members that Ms Keerthi,
a BBM student was admitted to M.A. English course in
our Autonomous College during 2015-16. The College was
informed by the University of Mysore during the scrutiny
of the admissions that BBM students are not eligible
to be admitted to MA English course as per University
guidelines.

The College requested the University of Mysore to
consider this as a special case as the PG BOS in English
in its meeting held on 22 August, 2014 had recommended
admitting students of BBM and B.Com to M.A. English.
This was ratified by the Academic Council in the
meeting held on 6th February 2015, while approving
the revised syllabus for M.A. English.

The University of Mysore placed the matter before the
Academic Council. The College Principal represented
and appealed to the Academic Council as a special
case to approve the admission made by the College,
keeping in mind the future of the student Ms Keerthi.
Now, the University has written a letter to the College,
stating that punishing the student by not regularising
the admission is an inappropriate action, instead it
has asked to recommend a suitable additional makeup
course to compensate the M.A. Course she is studying
now.

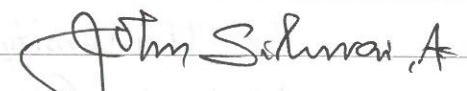

The members after deliberation decided to recommend
an additional paper as a makeup course by prescribing
Shakespeare's Othello and to conduct remedial

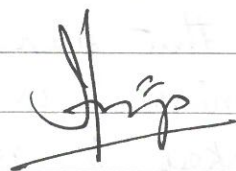

Classes in the PG Department of English to compensate her MA English Course. 10-10-18

Resolutions:

1. It was resolved to recommend an additional paper as a makeup course by prescribing Shakespeare's play Othello and to conduct remedial classes to Ms Keerthi.
2. It was resolved to approve the syllabus i.e Shakespeare's play Othello and the Blue Print of the question paper.

The Meeting was concluded by the Chairman thanking the members of the BOS for their cooperation.

After a short prayer, Prof. A. JOHN SILUVAI, the Chairman of the Board of Studies welcomed all the members to the BOS Meeting. The Board Members deliberated upon the agenda of the Meeting.

Agenda - 1: To approve the minutes of the previous meeting. The Chairperson read out the minutes of the previous BOS Meeting held on 10th October 2018 for approval.

Decision: Minutes of the BOS meeting held on 10th October 2018 approved unanimously.

Agenda - 2: To discuss the proposal of incorporating modifications in the existing curriculum

Proposals to modify and change the existing curriculum.

1. It was proposed to include the Course outcome for every paper immediately after the objectives.
2. The Question paper Blue Print to be added at the end of the paper for 70 marks.
3. It was observed that the entire curriculum contained quantitatively more in number of poems, dramas, fictions and areas of criticism. The Board proposed to trim them with the sole purpose of making the students learn innovatively and creatively only a few and leave the rest for personal study, presentation and assignment. It would open the vistas and avenues to apply Benjamin Bloom's taxonomy to create, evaluate, analyse, synthesize, understand and remember.

4. Around 25 to 30% modifications were stipulated in the whole curriculum covering all the four semesters. (Vide: The printed and marked items that are dropped)
5. A meaningful proposal was made to amalgamate the two papers on Modern Age into one paper for 4th Sem. only. In lieu of the first paper in the 3rd Sem. on Modern Age-I, Research Methodology was introduced to help the students take up skillfully and diligently their Major Project Work leading to Dissertation in the final Semester.
6. Since literature and culture have become the core study in all universities across the globe, it was wisely proposed to include two units on Cultural Studies in the Soft Core paper for 3rd Semester on E.M. Forster's Essays comprising Indian, British and European cultures.
7. The proposed changes and modifications made in this preliminary BOS meeting would be mailed to all the members for their final observations and suggestions within a time frame to be approved in the next BOS meeting.
8. Finally the new English syllabus for the first and second semesters of BTMM course was placed before the BOS members for their approval. Though the course comes under UG programme, the PG Dept. of English agreed to take it up in the interest of the students and the institution. **Decision:** BTMM English syllabus unanimously approved.

After a short prayer, Prof. A. JOHN SILVAM, the Chairperson of BOS welcomed all the BOS members and proposed the single agenda of dropping a few topics in the existing curriculum of I, II and III Semesters for the academic years 2023-2025, with the view to reducing the quantity of the syllabus

 b) John Fiske. *Culture, Ideology and Interpellation* from *Literary Theory: An Anthology*, 2nd edition, edited by Julie Rifkin and Michael Ryan, 1998, 2004

After a meaningful discussion and deliberation, it was unanimously decided not to drop the proposed topics in all the courses of I, II and III Semester as it would jeopardize the choice of questions according to units in the course.

It was observed that completing all the portions in a constrained situation should be resolved by giving assignments to students to such topics as are lengthy after giving them some introduction and explanation.

As regards the course on Cultural Studies, it was decided to drop the two authors' work on cultural studies namely Simon During and John Fiske as they were additional burden to the students. It was also decided to keep just Chapter 1 of Hiriyana's *Art Experience: Indian Aesthetics*.

Prof. Gavin Jude Wilson was quite appreciative of keeping Shakespeare's best play 'Hamlet' in the curriculum.

The Chairperson of BOS Prof. A. John Silvam proposed the idea of having a course of lectures on different topics in the days ahead to the PG students. The distinguished members were quite willing to cooperate and come forward to make the presentation.

As Dr. Namratha expressed to the BOS Chairperson her inability to reach owing to some occupation while consenting to the decision of the BOS members approving the modifications in the existing curriculum of M.A. English for the academic years 2023-25,
